### **RE: 2014 B.C. CONFEDERATION OF PARENT ADVISORY COUNCILS - MEMBER RESOLUTIONS**

Dear Ms. Green,

At the 2014 BCCPAC Annual General Meeting, member delegates representing Parent Advisory Councils (PACs) and District Parent Advisory Councils (DPACs) gathered together from around the province to discuss important issues vital to student success and approved several resolutions.

At this time, we would like to bring to your attention the following resolutions:

#### ***2014.3 Helping, Not Harming: Supporting Young People in Schools through Effective School Policy***

BCCPAC insists the Ministry of Education demonstrate leadership in mandating and supporting school boards and districts to adopt evidence-based policies and practices that can better support young people who may be contravening district policies (i.e., alternatives to suspension).

#### ***2014.11 Reporting on the Use of Restraint***

BCCPAC advocates for processes to ensure, when restraint is used on a student, that the parents are informed as soon as possible that a detailed report of the incident is included in the student's file and sent directly to Principal and District Superintendent.

#### ***2014.13 Reporting on Student Removal from Classroom***

BCCPAC advocates for processes to ensure that when a student is removed from a classroom for non-educational reasons, the incident is recorded and the parents are notified.

#### ***2014.15 Expanded Basic Training and Professional Development for Teachers***

BCCPAC advocates for expanded training at Universities to better equip new teachers to teach to our diverse population.

And be it further resolved that BCCPAC advocates for support and resources for classroom teachers to expand their professional skill sets with respect to teaching to diversity and managing student behaviors.

**2014.18 Alert Process for Mental Health Conditions**

BCCPAC advocates for an alert process which requires that a student's diagnosed mental health conditions be documented in a restricted file. This file must be reviewed and its contents duly considered when making decisions affecting the student.

**2014.19 Decisions Related to Expulsion from Classes or Programs**

BCCPAC advocates to have parents informed prior to a student being expelled or disqualified from a class or a program.

**2014.21 Requirement to maintain Currency for Teachers**

BCCPAC call on the BC Teachers' Council to require that all teaching certificate holders update and maintain their skills to the standard level expected of newly certified certificate holders.

**2014.22 Updating Teaching Standards**

BCCPAC call on the BC Teachers' Council to complete their review and update current teaching standards for teaching certificate holders prior to the start of the 2015/2016 School Year.

**2014.24 Reporting on the use of seclusion or isolation**

That BCCPAC advocates for processes to ensure, when seclusion or isolation is used on a student, that the parents are informed as soon as possible and that a detailed report of the incident is included in the student's file and sent directly to the principal and the district superintendent.

**2014.25 Alternatives to Seclusion or Isolation**

That BCCPAC advocate for evidence based alternatives to the use of seclusion and isolation that provide effective resolution and preserve and protect the rights of students.

We have included a compilation of all the approved resolutions from our 2014 Annual General Meeting for your convenience.
