RE: 2014 B.C. CONFEDERATION OF PARENT ADVISORY COUNCILS - MEMBER RESOLUTIONS

Dear BCSCA,

At the 2014 BCCPAC Annual General Meeting, member delegates representing Parent Advisory Councils (PACs) and District Parent Advisory Councils (DPACs) gathered together from around the province to discuss important issues vital to student success and approved several resolutions.

At this time, we would like to bring to your attention the following resolutions:

2014.17 Advocating for Counselling Resources in BC Schools

That BCCPAC be directed to actively advocate for increased counselling resources in BC schools.

2014.18 Alert Process for Mental Health Conditions

BCCPAC advocates for an alert process which requires that a student's diagnosed mental health conditions be documented in a restricted file. This file must be reviewed and its contents duly considered when making decisions affecting the student.

2014.19 Decisions Related to Expulsion from Classes or Programs

BCCPAC advocates to have parents informed prior to a student being expelled or disqualified from a class or a program.

We have included a compilation of all the approved resolutions from our 2014 Annual General Meeting for your convenience.

If you have any comments or questions please respond to info@bccpac.bc.ca

Sincerely,

Nicole Makohoniuk, BCCPAC President
On behalf of the BCCPAC Board of Directors
