Dear Minister Coell,

At the 2008 Annual General Meeting of the BC Confederation of Parent Advisory Councils, member delegates representing Parent Advisory Councils and District Parent Advisory Councils came together from across the province to discuss issues vital to student success.

One resolution was specifically destined to your Ministry, and we bring this to your attention.

Resolution 2008.21: Student Loan Forgiveness for School District Employees

BCCPAC strongly urge the provincial government, on behalf of rural school districts, to provide and fund incentive, including the implementation of the forgiveness for student loan program, to allow these districts to attract and retain qualified individuals.

We kindly ask that your Ministry review this resolution, and we welcome an opportunity to discuss it with you at your earliest convenience.

For the future, for all our children,

Ron Broda
BCCPAC President & CEO
