Dear Ms. Makohoniuk :

I am writing you as a follow up to an email the BC Confederation of Parent Advisory Councils (BCCPAC) sent to the Honourable Peter Fassbender on October 17, 2014 regarding BCCPAC's 2014 resolutions.

Minister Fassbender has forwarded resolutions 15, 21 and 22 to the BC Teachers' Council for its consideration, as the Council's mandate under section 13 of the *Teachers Act*, includes setting standards in the areas of teacher education, certification and conduct and competence. This letter serves as acknowledgement of receipt of these resolutions and to inform you they will be placed on the agenda of a future Council meeting for discussion.

Following a review by the Council, I will be in contact to advise you of any decisions or actions of the Council regarding the resolutions.

Sincerely,
