COMMITTEE MEMBERS

- Member's include BCCPAC Representative Crystal Andrews, Jen Mezei, Laura Ward, Dianna Caputo, Randy Paton, and Valerie Newbreast.
- We are part of an Ad-Hoc committee to explore and draft recommendations to the board on how to increase Aboriginal Parent Engagement.
- By gathering information and improving communication and engagement on all levels from PAC/DPAC/BCCPAC, we strengthen our community.

INFORMATION GATHERING

- The intent of this committee is to gather information from each district for the purpose of increasing Aboriginal Parent Engagement province wide.
- We want to know specifically what is working for each PAC/DPAC on their path to increase parental engagement, along with how they reached their results.
- We also want feedback on what didn't work, and why.
- Please share with us your PAC/DPAC'Ss challenges and successes when it comes to Aboriginal Parent Engagement.
