REFUND LIMITATION PERIOD CHANGE EFFECTIVE MAY 1, 2007

The limitation period for refund applications has been changed from six years to four years effective May 1, 2007. Therefore, the limitations for refund applications received by the ministry are as follows:

- On or before April 30, 2007, the maximum refund period you can claim is six years from the date the taxes were paid.
 - **Please note:** PAC refunds have been in effect less than six years. Therefore, you can claim a refund back to, and including, July 1, 2002.
- On or after May 1, 2007, the maximum refund period you can claim is four years from the date the taxes were paid.

For example, if you have an outstanding refund claim relating to tax paid between July 1, 2002 and May 1, 2003, your refund claim must be received by **April 30, 2007.**

For refund claims filed with the ministry before May 1, 2007 relating to refunds that qualify for the six year limitation period, you must retain all the records necessary to support the full period of the claim.

WHO QUALIFIES FOR A REFUND?

PACs and school boards can apply for a PST refund on certain goods bought with PAC-raised funds.

PAC-raised funds are funds that PACs raise through their fundraising activities. Government grants, including gaming funds, paid directly to PACs are also PAC-raised funds. Contributions from a school or school board are not PAC-raised funds.

A PAC must apply for a refund if the PAC, or a parent in the PAC, pays for the items. A PAC can apply for a refund once each school year.

A school board must apply for the refund if the school board or a school pays for the items using PAC-raised funds. A school board can apply for a refund twice in each school year.

Which PAC-funded purchases qualify?

Items bought with PAC-raised funds and given to a school for school or student use qualify for a refund of the PST.

Here are some items that qualify for a refund:

- playground equipment
- computers
- science lab equipment
- sports equipment
- furniture and appliances
- award for students

In order to receive a refund, the price of the item and the amount of PST applied must be shown separately on the invoice.

These items do not qualify for a refund:

- leased or rented items
- taxable services such as repairs and maintenance
- items the PAC uses for itself, or sells to raise funds

WHAT IF A PAC PARTIALLY FUNDS A PURCHASE?

If a PAC shares the cost of an item with a school board, only part of the PST is refunded. The percentage a PAC pays of the total price (price including the PST) is calculated and the same percentage of PST paid is refunded.

To find the percentage that a PAC paid of the total, divide the PAC-raised funds contributed by the total price (price including the PST) of the item bought, using this formula:

The refund amount is determined by multiplying the % the PAC paid by the amount of PST paid. This is how a refund is calculated when a PAC pays \$700 towards the purchase of a computer, assuming the following information:

Price of the computer	\$1,	,000
7% PST paid	\$	70
7% GST paid	\$	70
Invoice Total	\$1,	,140
PAC-raised funds	\$	700

Refund amount = $65 \% \times $70 = 45.50

In this example, as the PAC paid 65% of the total price including the PST, 65% of the PST paid (\$45.50) is refunded.

The GST and the Invoice Total amounts are not used in the calculation.

HOW TO APPLY FOR A REFUND

PACs and school boards must use the *Refund of Social Service Tax: PAC Funded Purchases for Schools* form (**FIN 413/PAC**) to apply. This form is available on our website at

www.sbr.gov.bc.ca/ctb

Please summarize the invoices being claimed on the form. If convenient, a separate summary sheet indicating the name of the PAC or school board can be used instead, and the invoices can be summarized using a table.

Refunds must be claimed within six years (four years effective May 1, 2007) of when the tax was paid.

Refunds for PACs

PACs can apply for a refund for qualifying items they purchase with PAC-raised funds. Invoices for these items should be made out to the PAC.

If invoices are not made out to the PAC, the PAC must send copies of the cheques used to pay those invoices. These cheques must be made payable to the companies on the invoices.

When a PAC applies, the following documents are needed:

- completed application form,
- original invoices for the items listed, and
- copies of cheques used to pay invoices that are not made out to the PAC, if applicable.

Refunds for school boards

School boards can apply for a refund if they buy the qualifying items with PAC-raised funds, or if the PAC has reimbursed them for the items.

When a school board applies, the following documents are needed:

- completed application form,
- original invoices for the items listed, and
- receipts issued to PACs for funds received if the certification on the application (Part D) is not signed.

A school board can send in copies of the receipts issued to the PACs instead of having the PACs sign the certification on the application. These receipts show that a PAC paid for the items listed on the application form. If these receipts are for an amount less than the price of the items including PST, a partial refund is issued, as explained in the above section, What if a PAC Partially Funds a Purchase?

Please mail the completed application form, original invoices and your supporting documents to:

Consumer Taxation Branch Refund Section PO Box 9628 Stn Prov Govt Victoria BC V8W 9N6

Original invoices are returned after the application has been processed.
